Safety

You understand that cycling on the ice is a potentially hazardous activity and involves the real and foreseeable risk of serious injury or death from matters including, but not limited to, accidents with other course users (whether cyclists or vehicles), ice and weather conditions, equipment failure and the effects of strenuous exertion and activity.

You agree to abide by the course rules, obey any directions of Event officials and ride with all reasonable care, skill, diligence and consideration of other users and Event participants on the course. You attest and warrant that you are physically fit and that your bike is in a sound mechanical order and suitable for competition prior to undertaking the Event.

During the Event you agree to wear, at all times:

- a bike helmet with straps fastened that complies with the design standard; and,
- highly visible clothing and appropriate reflectors

Any children or minors accompanying Event participants must also wear and have fastened a bike helmet that complies with the relevant standards.

You release and indemnify each Event Organizer and their contractors, partners, employees, invitees and agents and all volunteers acting on behalf of the Event from:

- all claims for injury, personal or otherwise;
- any loss or damage of whatever kind you or persons who you registered to enter the Event may suffer or cause as a result of any act(s) or omissions whether negligent or otherwise of the Event Organizer, employees or agents in relation to the Event; and,
- any loss or damage that is suffered, caused or arises as a consequence of your participation in the Event or participation by persons who you registered to enter the Event.

Age Limitations

Minors must be accompanied onto the ice by an adult Ride Participant who will be responsible for their welfare.

Photography of Participants, including Minors

By agreeing to these Terms and Conditions of Entry and participating in the Event, you consent to the taking of images or video footage of you and/ or your child during or at the Event or its authorized agents and authorize the use of such images or video footage of you and/or your child by the Event Organizer, its authorized agents and its sponsors in all forms of media without any further approval or compensation.

Limitations, Rider Directions or Event Suspension

By participating in the Event, you acknowledge that an Event official may, at any time during the conduct of the Event, in his or her absolute discretion, direct your withdrawal from the Event. If an Event official directs your withdrawal from the Event, you undertake to comply with this direction immediately, including by voluntarily returning to the finish area. You agree to indemnify the Event Organizer against any loss or damage resulting from your failure to comply with this condition.

Personal Responsibility

You are responsible for all personal property you bring onto the ride course, area and sites and understand that the Event Organizer does not accept any responsibility whatsoever for any loss, damage or harm caused to your personal property whether caused by negligence or otherwise. The Event Organizer strongly recommends that you obtain personal accident insurance before taking part in the Event. The Event Organizer also recommends that your bike is checked and serviced by a mechanic prior to the Event.

If, during the Event, you become ill or are injured, the Event Organizer will attempt to arrange medical transport, usually in an ambulance, but will not take responsibility for such transport being available nor the care provided. Any medical transport costs must be met by you. The waiver agreed to by you as a condition of entry to the Event does not cover Participants for liability to other persons for accidents or injuries caused by yourself or another rider. You are responsible for ensuring that you have adequately and appropriately prepared both physically and mentally for the Event, and have the appropriate equipment and clothing to do so. If you have any current or past health issues or doubts prior to the Event, the Event Organizer recommends that you seek appropriate medical advice before participating in the Event.

Cancellation & Weather

Except as otherwise stated in these Terms and Conditions of Entry and as required by law, the Event Organizer is under no obligation to refund monies or entry fees due to non-use, cancellation, failure to participate or dissatisfaction by the Participant. The Event Organizer may, in its absolute discretion and without giving reasons for its decision, accept or refuse an application for registration from participation in the Event.
